M&M Cartage

Family-owned since 1972

VOL. 546
October 30, 2026

WE ARE HIRING!

M&M Cartage is hiring drivers, and we could use your help spreading the word!
We would appreciate it if you could take a moment to share our hiring opportunities on your personal social media pages. To make it easy, we've included a sample post below that you can copy, paste, or personalize however you'd like.
Don't forget! If someone you refer is hired, you could be eligible to receive up to $2,000 in referral bonuses for each referral! Be sure to have your referral mention your name when applying so you can receive credit for the referral.

Sample Social Media Post (copy and paste the below into your social media feed):

M&M Cartage is Hiring Drivers!
Looking for a new driving opportunity, or know someone who is?
M&M Cartage is looking for drivers to join our team! If you or someone you know is interested, check out our current opportunities and apply today!

Jerry Fortner 11/9 - 11 years
Richard Howlett 11/9 - 3 years
Corey Yule 11/13 - 3 years

Clean Inspections!

Zach Davidson - Level I - $50

MESSAGE FROM THE SHOP

Attention Drivers: The shop is in need or your help and cooperation when placing Equipment OOS.When you have equipment that needs to be placed OOS please place it OOS in Isaac first. Once this is completed, if the OOS equipment is a Truck, park the Truck in the OOS parking area south of the truck bay doors along the fence with the other OOS trucks and then come inside the shop and let us know that this equipment is here and OOS and what the issue is so we are all on the same page as to what the OOS reason is. These actions will get the truck placed back in service the quickest. Leaving trucks out in the lot or not reporting the OSS issue will slow down the process of getting the truck checked out and repaired. If the OOS equipment is a trailer, park it in the trailer parking area and then let the shop know the trailer is here and what the OOS issue is so we can again make sure we are on the same page on what the reason is for the OOS trailer.

For out of town drivers, place equipment OOS in Isaac, and then reach out to the shop and let them know where the equipment is and reason placing OOS.

Thanks

Billy Bowyer

PAPERWORK

ATTENTION ALL DRIVERS: Please make sure youare turning in all paperwork at the end of your day. This includes M&M bill, customer bill, and any other necessary articles. If the customer needs the bill, please take a picture of it and send it in through Isaac. If you are dropping a trailer after hours, please send in an unsigned copy. Thanks and drive safe!

ATTENTION ALL CDL HOLDERS

If you have a DOT physical or a CDL coming due, you must renew 30 days or more in advance and ensure that we have received a copy. Louisville based drivers, you may renew your physical at Baptistworx with the authorization slip found on the Safety bulletin board in Dispatch or given to you by your supervisor. Local drivers also have the option to make an appointment with our onsite nurse practitioner for their DOT physical needs. She can also provide pre-physical evaluations for drivers who want to make sure they are in compliance before their actual DOT physical.

A pre-physical can help identify and address potential concerns, such as A1C levels, blood pressure, and other health-related requirements, giving drivers an opportunity to address any issues before their official physical. Appointments can be made by visiting https://archerhealth.com/welcome/m-m-cartage/ and creating an account. If you are unable to get to Nurse Deanna or Baptistworx during their normal business hours you may renew at Concentra on Fern Valley Road which is open 24 hours, but you will need to contact Paula at ext. 2760 to get an online authorization entered before you go. Sharonville, OH and Newport, MI drivers you need to renew at Concentra in your area. Please reach out to Paula at ext. 2760 to get an online authorization entered. TN drivers you can renew your physical at Health Star (by appointment only) or Fast Pace Health (online authorization only). Contact Paula at ext. 2760 or Kevin at ext. 2460 for more information.
