Health Savings Account Announcement

Good news! For those employees with HSA medical plans, M&M Cartage will be making its semi-annual contribution into your HSA account on Tuesday, May 2nd. Those with “employee only” plans will receive \$250, and all other HSA plan members will receive \$500. Those employees with PPO plans, or those who “waived” medical coverage, do not qualify for this company contribution.

If you have questions, please contact Stacey Murphy at ext. 236

Tractor Cleanliness

We need everyone to make sure the truck you are driving is clean and ready to be used by anyone after your shift. **Do not leave trash, food, beverages , or personal items of any kind in any truck for any reason.** The shop is working hard to get all down vehicles repaired and back in service. If there is an issue with the tractor you are assigned, please let dispatch know immediately.

Employee Parking Lot

The parking lots in front of the office and on the back side of the warehouse are for personal vehicles only. **Please do not park tractors in the employee parking lot.** Parking tractors in the employee lot creates an unnecessary possibility for a preventable accident. If you have any questions on the designated tractor parking area, please contact a member of the safety department.

Attention All Drivers and CDL Holders

If your DOT physical or CDL will be expiring before June 1st, make arrangements now to renew! Physicals need to be renewed 30 days in advance to allow time to get it updated with your state. If you have any questions call Paula at ext. 276 Thank you!

Attention Drivers

Please report any and all damage or mechanical issues to dispatch and the shop. **DO NOT LEAVE DAMAGED/INOPERABLE EQUIPMENT ON THE YARD WITHOUT NOTIFYING THE SHOP.** If your truck does not start, if you have a flat, if you have a light out, etc. let the shop and dispatch know immediately! Repairs can not be made if we do not know about the problem. Thank you for your future attention to this matter and drive safe.

Attention Drivers on GE/City Loads

Please drop your empty trailer at GE Appliance Park at the end of your day and contact dispatch before leaving. This will clear up our congested Geil Lane yard and cut back on time spent shuttling empties to GE. The only exceptions to this are as followed: **if the trailer is damaged or hours of service issues.** If you experience either of those issues, please contact dispatch/shop immediately. Thank you for your attention to this matter and drive safe.
