Clean Inspections

Kevin Wilson, Level III, \$25

Tractor Cleanliness

We need everyone to make sure the truck you are driving is clean and ready to be used by anyone after your shift. **Do not leave trash, food, beverages , or personal items of any kind in any truck for any reason.** Pictured below is an air gun. Almost every truck in our fleet is equipped with one located under the driver's seat. These are to blow out any dirt and debris in the cab. If the truck you are driving does not have one, please let the shop know. Everyone needs to do their part in keeping the trucks clean so they are ready for use by anyone at any time.

Health Savings Account Announcement

Good news! For those employees with HSA medical plans, M&M Cartage will be making its semi-annual contribution into your HSA account on Tuesday, May 2nd. Those with “employee only” plans will receive \$250, and all other HSA plan members will receive \$500. Those employees with PPO plans, or those who “waived” medical coverage, do not qualify for this company contribution.

If you have questions, please contact Stacey Murphy at ext. 236
