New Uniform Allowance

We are pleased to announce that effective May 2023, all uniform allowances will be increased! Drivers will now receive code at the beginning of their anniversary month for \$200 and new hires will receive a code for \$100 after 90 days. The ordering process has not changed and all items are available any time at mmcartage.itemorder.com/sale. We have added a lot of great new items so please take a look. We look forward to seeing everyone in their great looking new M&M gear! If you have any questions, comments, or concerns please contact Joey Hettel by phone at ext. 266 or by email at joey.hettel@mmcartage.com.

Message from Safety

The 2023 international road-check will be May 16-18. This year the main focus is anti-lock brake systems (ABS) and proper cargo securement. If you have any questions please reach out to a member of the safety department.

Attention Drivers

If you are on any **GE Building 10** loads and will be late for any reason, **please call Danielle at extension 270 and let her know immediately**. If Danielle is unavailable, please let another dispatcher know as soon as possible. Even if you are only going to be five minutes late, we need you to let us know so we can relay it to make sure everything is going to go as planned. Thank you for your continued hard work and drive safe!

Tractor Cleanliness

We need everyone to make sure the truck you are driving is clean and ready to be used by anyone after your shift. **Do not leave trash, food, beverages , or personal items of any kind in any truck for any reason**. Pictured below is an air gun. Almost every truck in our fleet is equipped with one located under the driver's seat. These are to blow out any dirt and debris in the cab. If the truck you are driving does not have one, please let the shop know. Everyone needs to do their part in keeping the trucks clean so they are ready for use by anyone at any time.
