GEIL LANE YARD

Please make sure all trash is being disposed of in the trash cans around the property or in the dumpster. Any trash going in the dumpster must be bagged. Do not put any large household items in the dumpster. If you see trash on the ground, please pick it up and throw it away. Thank you for your attention to this matter!

ATTENTION ALL CDL HOLDERS

If you have a DOT physical or a CDL coming due, you must renew 30 days or more in advance and ensure that we have received a copy. Louisville based drivers, you may renew your physical at Baptistworx with the authorization slip found on the Safety bulletin board in Dispatch or given to you by your supervisor. Local drivers also have the option to make an appointment with our onsite nurse practitioner for their DOT physical needs. She can also provide pre-physical evaluations for drivers who want to make sure they are in compliance before their actual DOT physical.

A pre-physical can help identify and address potential concerns, such as A1C levels, blood pressure, and other health-related requirements, giving drivers an opportunity to address any issues before their official physical. Appointments can be made by visiting <https://archerhealth.com/welcome/m-m-cartage/> and creating an account. If you are unable to get to Nurse Deanna or Baptistworx during their normal business hours you may renew at Concentra on Fern Valley Road which is open 24 hours, but you will need to contact Paula at ext. 2760 to get an online authorization entered before you go. Sharonville, OH and Newport, MI drivers you need to renew at Concentra in your area. Please reach out to Paula at ext. 2760 to get an online authorization entered. TN drivers you can renew your physical at Health Star (by appointment only) or Fast Pace Health (online authorization only). Contact Paula at ext. 2760 or Kevin at ext. 2460 for more information.
